

**ESAME DI STATO  
CLASSE 5H  
ANNO SCOLASTICO 2020/2021**

**Elenco degli argomenti assegnati a ciascun candidato per la realizzazione dell'elaborato  
concernente le discipline caratterizzanti oggetto del colloquio di cui all'articolo 18, comma 1, lettera a);  
il tutor è il docente della lingua in cui è scritto il titolo (inglese, prof.ssa L. Balloni, o tedesco, prof.ssa L. Corsaro)**

<b>Studente numero</b>	<b>Titolo</b>
1.	„Was ich geleistet habe, ist nur ein Erfolg des Alleinseins.“ <b>Franz Kafka, Tagebücher</b>
2.	“I am a messenger who will bring back word from the men who are fighting (WWI) to those who want the war to go on forever. Feeble, inarticulate will be my message, but it will have a bitter truth and may it burn their lousy souls.” <b>Paul Nash</b>
3.	“If education is always to be conceived along the same antiquated lines of a mere transmission of knowledge, there is little to be hoped from it in the bettering of man's future. For what is the use of transmitting knowledge if the individual's total development lags behind?” <b>Maria Montessori</b>
4.	“My mother told me two things constantly. One was to be a lady and the other was to be independent, and the law was something most unusual for those times because for most girls growing up in the '40s, the most important degree was not your B.A. but your M.R.S”. (MRS Degree) <b>Ruth Bader Ginsburg</b>
5.	“Books cannot be killed by fire. People die, but books never die. No man and no force can abolish memory... In this war, we know, books are weapons. And it is a part of your dedication always to make them weapons for man's freedom.” <b>Franklin D. Roosevelt</b>
6.	“Your mind will give back exactly what you put into it.” <b>James Joyce</b>
7.	„Einer von denen, die nach Hause kommen und die dann doch nicht nach Hause kommen, weil für sie kein Zuhause mehr da ist. Und ihr Zuhause ist dann draußen vor der Tür.” <b>Wolfgang Borchert, Draußen vor der Tür</b>
8.	“Most of human history had been industry versus nature, with industry winning.” <b>Joe Haldeman, Forever Free</b>
9.	“As man advances in civilization, and small tribes are united into larger communities, the simplest reason would tell each individual that he ought to extend his social instincts and sympathies to all

	members of the same nation, though personally unknown to him. This point being once reached, there is only an artificial barrier to prevent his sympathies extending to the men of all nations and races." <b>Charles Darwin, <i>The Descent of Man</i></b>
--	--

10.	„Die Literatur ist überhaupt kein Beruf, sondern ein Fluch, – damit Sie's wissen. Wann beginnt er fühlbar zu werden, dieser Fluch? Früh, schrecklich früh. [...]. Sie fangen an, sich gezeichnet, sich in einem rätselhaften Gegensatz zu den anderen, den Gewöhnlichen, den Ordentlichen zu fühlen [...] Sie sind einsam, und fortan gibt es keine Verständigung mehr.“ <b>Thomas Mann, <i>Tonio Kröger</i></b>
11.	“ <i>Alienation as we find it in modern society is almost total... Man has created a world of man-made things as it never existed before. He has constructed a complicated social machine to administer the technical machine he built. The more powerful and gigantic the forces are which he unleashes, the more powerless he feels himself as a human being. He is owned by his creations, and has lost ownership of himself.</i> ” <b>Erich Fromm</b>
12.	“Nun, Effi, (...) ist er der Richtige?” “Gewiss ist es der Richtige. Das verstehst du nicht, Hertha. Jeder ist der Richtige. Natürlich muss er von Adel sein und eine Stellung haben und gut aussehen.” <b>T. Fontane, <i>Effi Briest</i></b>
13.	„Insbesondere das Zusammenleben der Religionen stellt uns vor große Herausforderungen. „Die Würde des Menschen ist unantastbar“ so heißt es in Artikel 1 unseres Grundgesetzes. Dieser Artikel beschreibt den Kern unseres Zusammenlebens. Er macht klar, dass Gewalt, Fremdenfeindlichkeit, Rassismus und Antisemitismus in unserem Rechtsstaat keinen Platz haben.“ <b>Angela Merkel</b>
14.	„Je länger man vor der Tür zögert, desto fremder wird man.“ <b>Franz Kafka, <i>Heimkehr</i></b>
15.	„Der Traum ist die verkleidete Erfüllung eines unterdrückten, verdrängten Wunsches.“ <b>Sigmund Freud, <i>Traumdeutung</i></b>
16.	„Niemand hat die Absicht, eine Mauer zu errichten.“ <b>Walter Ulbricht</b>
17.	“ <i>Consciousness, then, does not appear to itself chopped up in bits. Such words as 'chain' or 'train' do not describe it fitly as it presents itself in the first instance. It is nothing jointed; it flows. A 'river' or a 'stream' are the metaphors by which it is most naturally described. In talking of it hereafter let us call it the stream of thought, of consciousness, or of subjective life.</i> ” <b>William James</b>

18.	<i>"Women have served all these centuries as looking glasses possessing the magic and delicious power of reflecting the figure of man at twice its natural size."</i> <b>Virginia Woolf, A Room of One's Own</b>
19.	„Die Regierungen Schreiben Nichtangriffspakte. Kleiner Mann Schreibe dein Testament.“ <b>Bertolt Brecht, Die Oberen</b>
20.	„Was sind das für Zeiten, wo ein Gespräch über Bäume fast ein Verbrechen ist.“ <b>Bertolt Brecht, An die Nachgeborenen</b>
21.	<i>"Nothing that you do in science is guaranteed to result in benefits for mankind. Any discovery, I believe, is morally neutral and it can be turned either to constructive ends or destructive ends. That's not the fault of science."</i> <b>Arthur W. Galston</b>
22.	<i>"We must take sides. Neutrality helps the oppressor, never the victim. Silence encourages the tormentor, never the tormented. Sometimes we must interfere. When human lives are endangered, when human dignity is in jeopardy, national borders and sensitivities become irrelevant. Wherever men and women are persecuted because of their race, religion, or political views, that place must - at that moment - become the center of the universe."</i> <b>Elie Wiesel, The Night Trilogy: Night, Dawn, The Accident</b>
23.	„Ich fürchte mich vor dem Tag, an dem die Technologie unsere Menschlichkeit übertrifft. Auf der Welt wird es nur noch eine Generation aus Idioten geben.“ <b>Albert Einstein</b>
